

30 June

TOGETHER WE CAN WIN

The joint action between trade unions today recognises the fact that only by standing together can we hope to defeat this government's unprecedented attacks on our welfare state.

Today is a demonstration of resistance and solidarity. **But the government is seeking to divide us and defeat us.** Don't let them. Public sector pensions are neither to blame for the lack of pensions for private sector workers nor for the deficit. We must:

- Bust the myths being peddled about public sector pensions and support workers on strike
- Organise to defeat any attempts to further restrict trade union rights
- Bring down this government of millionaires

John McDonnell MP, LRC Chair, said:

"We will be witnessing on 30 June the greatest act of trade union solidarity in a generation. Every one of us has a responsibility to do all we can to support this campaign. It is the precursor to a potential 'autumn of anger' against the savagery of this government's cuts."

I want to join the LRC

The LRC is campaigning within the Labour Party for socialist policies so that we replace this coalition government with a Labour government worthy of the name. Join our struggle. We are the Labour left. Membership is open to members of the Labour Party and members of no party.

I would like to *join/renew my membership to the LRC*
