

AFTER THE GENERAL ELECTION . . .

JOIN THE RESISTANCE!

SATURDAY 15th MAY

10:30am – 3:30 pm

University of London Union, Malet Street, London WC1E 7HY

Entrance: Free (donations welcome)

With a Tory-Lib Dem coalition threatening massive cuts in public spending, there is clearly a need for the Left to discuss how it can build a coalition to argue against and defeat the cuts consensus.

There is also the fight for socialism in the Labour Party to be fought – and a vacancy for Labour Party leader . . .

This is a one day conference for the labour movement left across the UK to share experiences of the General Election and plan for the coming months.

Speakers include:

John McDonnell MP and Billy Hayes, CWU General Secretary
